

Electronic Navigational Chart (ENC) Production with CARIS S-57 Composer

E-learning Course Registration Information

Cost

The cost for any individual to enrol in this e-learning course (self-paced online training course) is \$300 USD.

Access

You will have access to the online course materials 24 hours a day, 7 days a week, from your desktop, for a continuous period of 90 days from the date of registration.

Payment

Pay for this course online using a credit card (Visa or MasterCard). Alternatively, contact Teledyne CARIS for other billing options.

Registration

To register, click the link and complete the online registration process:

- Enter the name, e-mail and organization of the person enrolling in the course, and provide your CARIS license key number*.
- Enter the billing person's name and contact information.
- Review the licence agreement and click to continue.
- A payment summary will be displayed and click to continue.
- On CARIS' financial partner's secure payment website, provide your credit card details and finalize the payment, after which you will be sent an automated confirmation e-mail receipt.
- A registration completion page is displayed, and an e-mail will be sent with the course login information, username and password.

If there are any questions about your registration process, you will be contacted by CARIS.

*CARIS Software

Enrolment in this course does *not* include a copy of the CARIS S-57 Composer software or a license. This course assumes that you have access to a copy of the software. Although not recommended by CARIS, you can still enrol in the course if you do not have a copy of the software, but you will not be able to perform any of the practical training exercises.
